# Koudelka and Aya in bed

by [MiaQc](#)

## Summary

A fanfic composed almost entirely of dialogue. First-person point of view. Koudelka wants to sleep with Aya to return to her world, in the past. The Pikmins are only mentioned.

"You want us to do WHAT?" I exclaim with anger in my voice.

"You heard me right, Aya." Replies the woman who says her name is Koudelka. "I want to sleep with you."

"But why? We hardly know each other!"

"I've already explained it to you. I arrived in your world and in the future while I was in the midst of a climax with Edward."

"And this Edward, is he your lover?"

"Yes. So I think if I do the same thing again, I'll go back to my world and into the past."

"That's ridiculous! And it doesn't explain where the Pikmins came from."

"For the Pikmins, I think they arrived on Earth because of me. In theory, they'll go back to where they came from along with me."

"In theory'... Koudelka, that's insane!"

"No more insane than confronting that tentacled monster two days ago."

"I don't even want to think about it! No matter where that thing came from, it's destroyed. End of story."

"Aya, you're the only person I know. You've helped me since I arrived by allowing me to stay with you."

"Koudelka..."

"Please, Aya, have sex with me!"

"Are you even attracted to women? Because I'm not."

"I don't know, but that doesn't stop us from doing it."

Koudelka begs me, though it's not like her, to sleep with her. I let out a long sigh and go to my room. Koudelka follows me. I order her to undress while I take off my clothes. Koudelka smiles and she strips. I lie down in my bed and she joins me.

It was awkward, but we made love. I wasn't sure what to do, where to

caress Koudelka, but Koudelka quickly made me feel at ease. She seems to have a lot of sexual experience.

As we climaxed, there was a flash and Koudelka disappeared! I hide my naked body with a sheet and look for her in the house. Koudelka isn't there. She must have gone back to her world.

A day later, after searching the surrounding area, I couldn't find any Pikmin. They've gone to their homes too. I smile.
